

OCTOBER HOLIDAYS 2011

Welcome to Marshlands Holiday Programme!!!!

- ☺ If your child is sick, please ring the supervisor or Autism NZ Canterbury Branch BEFORE 8am.
- ☺ If children require medication PLEASE send it each day – including Ventolin. Alternatively you could give the Programme Supervisor a supply to keep for the duration of the holiday programme.
- ☺ Wet day activities will be decided on the day needed and will consist of activities such as swimming, video, New Brighton Library, arts & crafts and the Museum.
- ☺ Please send lunch, drink, togs and towel everyday
- ☺ Please make sure all clothing and personal items are named.
- ☺ Remember to sign your child in & out of the programme each day when you bring them.
- ☺ We will once again be using the 'Family Feedback Sheets' to provide your family with feedback from your child's day.
- ☺ Please remember to send your child's feedback book each day.
- ☺ If your child is sick, Autism Canterbury is still required to charge your carer support. We sign the staff contracts prior to the holidays to ensure we have adequate staffing; therefore we have to pay staff according to their contract and cannot change this if your child is sick.
- ☺ Any questions, comments or problems please call:
 - Programme Coordinator – Steve Potter on 027 464 1538
- steve.potter@autismnz.org.nz
 - Programme Supervisor –

KiwiAble Cards

Many of our activities require KiwiAble cards to access or receive discounts, such as free entrance for caregiver's. If your child has a KiwiAble card please send it each day.
