

Geddes Software Solutions Whangarei Seminar 10 August 2011

10.00am - 3.00pm A Day with StoryMaker and Flashcards

Hands on seminar for those working with children with significant language delay, using accessible software that enables the development of meaningful literacy skills. Participants will learn skills writing stories, using customised pictures and sounds and video editing.

Suitable for parents, teachers, teacher-aides and specialist staff. An excellent opportunity for families and professional teams to work together.

Cost \$65 per person. Lunch included

Please bring: laptop (running Windows), and microphone (if possible). It would be an advantage to have photos on a camera or USB drive or on the hard drive.

**This seminar will be featuring a demonstration of new software
“My Time” - an interactive personal organiser for those with special needs.**

Venue

**Ministry of Education, (Old Money Factory)
10 Awaroa River Rd, Whangarei**

Numbers are limited to 20 participants to allow for individual support, so register early.

Register at <http://geddesoftware.com/seminars.htm>

For more information contact Helen: Helen@geddesoftware.com, ph 03 453 6544 or 0212539321

Payment required to complete registration.

Introducing the Presenters Trevor and Helen Geddes, from Dunedin, have a son with Down Syndrome and Autism. He (Kevin) is 19 years old. Helen is a trained primary school teacher and Trevor has software expertise. Together they developed software to assist Kevin's language learning and as a result of requests made it available to others. This software has now been used widely throughout NZ and beyond and continues to develop as a result of feedback.
